RELATED EXPERIENCE

Clark Construction Group LLC

McLean, VA

IT Intern, Applications Team

May 2023 – Aug 2024

Spent two summers working with Clark's IT team to develop business applications on the Mendix system that on-site and office employees can use.

- Established SMART goals to assist with completing projects in a timely and effective manner
- Developed 3 different applications for the company that Clark still uses, enhancing productivity
- Collected, analyzed, and organized data from over 200 company IT contracts that the IT department uses daily
- Visited and toured 5 different job sites to gain broader insight into the company and user's needs

Roommate Finder WebApp

Columbia, SC

Capstone Project Team Member

Aug 2024 – May 2025

- Collaborated with team of 5 to design and develop a roommate matching web application
- Programmed using JavaScript, MongoDB, CSS, and HTML to ensure a responsive and user-friendly app
- Uploaded the webapp using Render to help ensure reliable access to users
- Led development of the front-end/UI of our webapp creating intuitive interfaces and enhancing usability

Java Camp Application

Columbia, SC

Classroom Project Team Member

Aug 2022 – Dec 2022

- Partnered with a team of 4 on a large-scale project using Git for effective version control
- Created a Unified Modeling Language diagram that was used in developing the software
- Elicited requirements from a faux client to ensure project alignment
- Utilized unit tests using J-Unit, participated in and contributed to SCRUM meetings

EXPERIENCE

Dodie Anderson Academic Enrichment Center

Columbia, SC

Attendance Monitor

Jan 2023 – May 2025

- Checked attendance of 5+ contracted athletes, alerting the university of any anomalies/abnormalities
- Reported consistently of my findings with checking athlete's attendance
- Inputted data of athlete's attendance into a Google Spreadsheet

Papa Docs

Lake Wylie, SC

Dock Hand

Apr 2019 – Aug 2022

- Assisted over 60 customers daily parking their boats, monitored docks keeping them properly maintained
- Trained close to half a dozen newly hired dock hands
